## **We look forward to having your child join us at Junior Summer Adventures!**

Every day is filled with outdoor play, creative arts, water play and more, guided by our caring staff.

### **Registration requirements:**

Your child must meet the minimum age for their group by June 1<sup>st</sup>.

An enrollment/release form and updated physical with immunizations must be submitted.

All children must be fully potty trained (no diapers or pull-ups).

### **What to bring and wear for a fun day at camp!**

- Dress for an active beach day- **pack light!** A bathing suit, t-shirt/cover-up, towel, and **peanut-free** snack and water bottle are all they need each day.
- We have water play every day- a bathing suit under a cover-up is the best option!
- Sneakers or secure sport sandals for safety and ease of play, **no flip-flops or crocs**
- Tote bags are preferred to backpacks (they are easier to access for the little ones)
- **Label** ALL belongings (towels, water bottles, snack bag, etc.)
- Apply sunscreen at home. If your child attends full day, please pack sunscreen to reapply.

**Epipens/Inhalers:** If your child requires emergency medication including an Epi pen or inhaler, an [Individual Health Care Plan](#) form must be submitted. Notify the director before your child's registered week. Please provide an epipen/inhaler that can be kept at camp. All medications must be in the original box w/prescription label attached.

### **Arrival procedures: 9:00am Marshall St parking lot-**

**Option 1:** Parents may park and walk their child to the gate-please wait on grassy area by the gate until your child is signed in.

**Option 2:** Drive into the Marshall St. parking lot along the playground fence. **Parents/caregivers must remain in the car** to ensure a safe and speedy drop-off. When you reach the gate area, we will help your child from the car and lead them to their group. Quick goodbyes are more successful!

### **Dismissal procedures: 12:00pm**

**Option 1:** Parents/caregivers parking or walking should wait on the grassy area by the gate

**Option 2:** Parents/guardians will be given a nameplate at the beginning of the week to display on their dashboard. Drive up to the playground drop-off gate and **remain in your car**. We will bring your child to your car and secure them in their car seat.

\* All caregivers approved for pick-up must be listed on the enrollment form. We will not release your child to anyone not listed on their enrollment form without written permission and ID

\*Please respect our neighbors! Do not block driveways or block Marshall Street.

### **Extended day-2pm:**

Please pack a peanut/tree-nut free lunch and beverage that does not require refrigeration. Label all lunchboxes and water bottles. Extended day sessions include lunch, story time, free play activities, and additional outdoor play.

## **Health and Safety: Contact the office by 8:45am if your child will be absent for any reason.**

### **Camp illness policy:**

- Fever (100+), Vomiting, Diarrhea- if your child has any of these symptoms, they cannot attend. Children must be free of symptoms without the aid of medications for 24 hours before returning to the program. If your child should develop any symptoms of illness while at camp, we will contact parents and arrange for pick-up.
- If your child tests positive for Flu, RSV, or Covid, they cannot attend until symptom free for 24 hours. A child on antibiotics who is well enough to attend must be on medication for 24 hours before returning.
- Our days are very active! If your child has any obvious signs of illness or is not feeling well enough for an active day, they should not attend.
