WINCHESTER TOWN DAY Celebrating 45 Years! - June 6th

Winchester Town Day is the community's traditional celebration welcoming the start of summer. Now in its 45th year, the event is organized by the Winchester Town Day Committee, an all-volunteer group that welcomes new members and ideas.

All events are free, continuing a long-standing tradition. Activities include historic trolley rides, musical performances, model car races, an art show, a petting zoo, a dog show, and fireworks, along with many other attractions.

Nearly 200 local businesses and organizations participate each year. Town Day is supported by exhibitor fees and corporate sponsors.

New this year:

- Laraway Road reopens
- The Battle of the Bands returns
- A new petting zoo exhibitor

Exhibitor registration opens March 15.

or email townday@townday.org

RENTALS

WINREC GYM RENTALS

Winchester Recreation provides evening and weekend rentals (depending on activity schedules) for community members. The gym can be rented for birthday parties, basketball games, floor hockey, dodgeball, or simply for exercise. Renters must have an adult present at all times. Recreation equipment is available upon request, with staff on-site to assist with setup and equipment needs. If you plan to bring in an external vendor or performer for games or events, proof of insurance from all businesses will be required by the Town of Winchester. The [Gym Rental Form](#) can be found under "Facilities" on winrec.com.

BIRTHDAY PARTY INFO

Monday – Friday: \$100 per hour. Weekends: \$300 fee includes 2 hours for party/event, with 30 minutes of set up and 30 min for breakdown (total 3 hours). Additional hours billed at \$100 per hour.

FIELD RENTALS

Field Use and Permitting Information

The Winchester Recreation Department oversees the use and permitting of all the fields and hard-court space for the Town of Winchester. Please note that any organized and/or fee-based activities must be permitted through the recreation department.

For information on how to reserve a field or court please visit this page: https://winchesterma.myrec.com/forms/5967_field_rental_instructions.pdf

Field Management Committee: Field use policies are developed and maintained by the Winchester Field Management Committee and approved by the Winchester Select Board.

Park and Field Maintenance: Fields, parks and playgrounds are maintained by the Winchester Public Works Department; Please report any safety issues or concerns to the DPW at (781) 721-7100.

NEIGHBORS HELPING NEIGHBORS SCHOLARSHIP

The Recreation Department has a dedicated scholarship fund to help residents facing financial hardships. The Neighbors Helping Neighbors account is used exclusively for recreation program scholarships, ensuring more community members can participate in childcare and enrichment programs.

This fund is made possible entirely through donations from individuals and organizations. When registering, you may be asked if you'd like to contribute - every donation, big or small, makes a difference. As the need for financial aid continues to grow, your support helps open doors for families in our community. To donate directly, click [HERE](#).

COMING SOON!

SAND VOLLEYBALL COURTS! Thanks to private donations by citizens and a \$30,000 donation by the Friends of Win-Rec 501C, the construction has begun on 2 official sand volleyball courts at Borggaard! We anticipate these courts to be completed late Spring- information on programming, access, and regulations to be released soon!

LEONARD BASKETBALL COURT RESTORATION:

As part of the initial funding from the Winchester Committee on Community Preservation (WCCP), plans have begun for the restoration and rebuilding of the Leonard Basketball Court! Construction is expected for the summer of 26!

PARK AND FIELD FENCING PROJECT: Planned for construction this spring, backstops at the McDonald 90 foot diamond, and West Side A field will be replaced, with repair work being done at Ginn River field, Ciarcia softball backstop, and Mullen fields. Funding was received through Capital Committee, WCCP, and the Winchester Hospital Grant Account.

PICKLEBALL DESIGN WORK AND PERMITTING: WCCP funded the design, permitting and sound mitigation for 3 proposed courts at Ginn Park. Part of this process will include a public meeting to discuss the concept as it is available, and sound mitigation features that adhere to the acoustical study that was done with funding provided by the Friends of WinRec.

MYSTIC PLAYGROUND IMPROVEMENTS: Plans for the installation of two permanent shade structures and an outdoor water fountain and water bottle fill station as part of the ongoing improvements of the playground and park area at the Recreation Department are moving forward. This project gained funding through the Capital Committee during the last cycle of funding.

PACKER ELLIS RESTORATION PROJECT: Thanks to funding by Capital, we have completed the second round of conceptual engineering with VHB and Huntress Sports. Working with the Town Managers Office, Engineering, Building, DPW, and Recreation Departments, the project will be seeking funding for the final phase of planning that will render construction documents, permitting and complete design including structural engineering, bathroom and staff facilities, increased accessibility, parking improvements, drainage, and storm water runoff mitigation. We are currently planning an open meeting to discuss the current plan, next steps, and community and stakeholder feedback before the next phase is conducted.

GINN FIELD UPGRADES: The Winchester Youth Baseball and Softball Organization was granted WCCP funding and is collaborating with the town in moving forward with a plan to install full field irrigation and new sod to the entire outfield as part of a multi-step plan of upgrades at this location.

BORGGAARD UPGRADES: The Friends of Wedge Pond was granted WCCP funds to enhance and clean up the Borggaard area including adding seating areas, installing new sand, , removal of old fencing, playground updates and a potential dock to launch kayaks. The group is working with the town with work being planned for late spring.

Celebrating OVER 30 years of preschool learning!!

Learning is fun at Kid Connection, a community-based preschool operated by the Winchester Recreation Department. Our focus is on developing the “whole child” supporting social/emotional growth and pre-academic skills. We have been serving the Winchester community for over 30 years, and pride ourselves on the longevity of our dedicated teachers and our low teacher/child ratio. Our theme-based curriculum combines learning through play with teacher directed activities in a nurturing environment. Enrichment opportunities throughout the year include music, gymnastics, local field trips, and more. We have large, bright classrooms and an expansive outdoor play area and sport court. We respect parents as their child’s first educator and work together to create a strong home/school connection. This school year program follows the Winchester Public School calendar and is licensed by The Department of Early Education and Care (EEC).

3D PRINTING - Coding and Design with BlocksCAD (Grades 2-5)

See how the seemingly impossible is achieved with BlocksCAD, a web-based tool that introduces kids to 3D modeling through blocks-based coding! In this class, students will learn the foundations of coding to create digital files and transform one of them into a real object that can be held in their hands! Participants will explore key principles of computer-aided design (CAD) by manipulating simple geometric shapes in a 3D environment to make lots of amazing projects, like a robot, fidget toy, and keychain. While having fun creating all sorts of unique designs, participants will also learn programming techniques such as loops and sequencing. Coding doesn't have to be complicated, join the fun and get creative with BlocksCAD!

Equipment needed: Students must bring their own Internet-accessible computing device (laptop, MacBook, or Chromebook) to each class session. Portable hand-held devices such as iPads are strongly discouraged, as

BlocksCAD's website will not calibrate properly. The device should have an Internet browser that is compatible with BlocksCAD (Google Chrome, Safari, or Mozilla Firefox). The instructor will have 2-3 spare devices available, as a precautionary measure.

Each student will receive one complimentary 3D print of their choosing after class. (8 weeks)

KIDS' TEST KITCHEN (Grades K-5)

On a mission to get eaters of all ages and abilities, cooking, tasting, and thinking about healthy ingredients! We are redefining kid food! Each class presents students with opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, they'll slice, dice, peel, measure, and cook until they've prepared the finished dish. Class closes with opportunity to taste the result of their hard work. Students receive a printed recipe card and the focal ingredient; or a sample of the finished dish so they can show off what they learned! Even the most reluctant eaters enjoy Kids' Test Kitchen, where participation is encouraged, and the choice to taste is always one's own. Lessons are planned to celebrate seasonal produce, whole grains, and legumes. Kids have food allergies, but they shouldn't miss out on the fun. Kids Test Kitchen understands allergies and will work around them, making sure that everyone is having fun and staying safe. (6 weeks)

LEARN TO PLAY MAHJONG 101 (Ages 18+)

Curious about Mahjong but not sure where to start? This fun, beginner-friendly (2) two hour lessons will walk you through everything you need to confidently sit down and play. We'll cover the basics step-by-step in a relaxed, social setting - perfect for first-timers.

What you will learn:

- What Mahjong is and how a game is structured
- Tile suits and key terms you'll hear at the table
- How to build a hand and read a standard Mahjong card
- How turns work: drawing, discarding, calling tiles (pong/chow/kong), and declaring Mahjong
- Simple strategies for spotting patterns and making decisions faster Table etiquette and common beginner mistakes (so you feel comfortable playing with others)

How the class works:

We will start with a clear overview and a guided demo, then you'll practice in small groups with plenty of coaching and time for questions. By the end, you'll have played through real hands and will leave with the confidence to join a game night.

Perfect for:

Absolute beginners, returning learners who want a refresh, or anyone who wants a friendly intro before investing in more advanced play.

What to bring:

Just yourself! All materials are provided (tiles, racks, and cards).

If you have your own card, feel free to bring it.

CIRCUIT MAKERS 101 & ROBOT COMMANDERS (Grades 1-3)

Understanding how software can interact with robots is a key skill for the STEM jobs of tomorrow. Circuit Labs provide several active, playful activities, where students learn about what it means to write, debug, and execute computer programs that communicate with different robotic devices. Using the power of code, students will turn Sphero SPRK+ robots into Magic 8 Balls, automated Red Light / Green Light games, and the arcade classic Pong — and Unruly Splats will become our voting machines, relay races, guessing games, and more.

Date: August 3 - August 7
Time: 8:30AM - 3:00PM
Location: McCall Middle School
Fee: \$420.00

HANDS ON ELECTRONICS & APP INVENTORS (Grades 4-7)

Tinker with electronics while learning the basics of computer programming. Students will begin by experimenting with the fundamentals of electronics and circuitry, and step up to projects where our class of young makers will design their own interactive and programmable devices. Participants use the latest tools including Arduino (for building interactive devices) and Raspberry Pi (for learning about computers and coding) to experiment with LEDs, resistors, motors, and programming. Each class day gives participants the chance to design a hands-on project with the guidance of skilled Circuit Lab instructors.

Date: July 27 - July 31

KIDS' TEST KITCHEN (Grades K-5)

On a mission to get eaters of all ages and abilities, cooking, tasting, and thinking about healthy ingredients! We are redefining kid food! Each class presents students with opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, they'll slice, dice, peel, measure, and cook until they've prepared the finished dish. Class closes with opportunity to taste the result of their hard work. Students receive a printed recipe card and the focal ingredient; or a sample of the finished dish so they can show off what they learned! Even the most reluctant eaters enjoy Kids' Test Kitchen, where participation is encouraged, and the choice to taste is always one's own. Lessons are planned to celebrate seasonal produce, whole grains, and legumes. Kids have food allergies, but they shouldn't miss out on the fun. Kids Test Kitchen understands allergies and will work around them, making sure that everyone is having fun and staying safe.

***Please clearly disclose all food allergies and/or dietary restrictions upon registration.**

LEGO ROBOTICS (Grades 4-5)

This Lego Robotics class will take you from the basics of designing and building a robot all the way to learning advanced navigation techniques through the addition of sensory inputs and decision-making code structures. This program provides a great foundation in the fundamentals of robotics, while setting students up to join a First Lego League (FLL) team if seeking a bigger challenge later on. In this class, you will...

- Work collaboratively to solve engineering challenges and refine robot performance.
- Think creatively to invent solutions to FLL challenges.
- Develop programming skills to teach your robot to follow lines, pick up, grab, or deliver objects, and more.
- Design and construct robust LEGO robots using motors, gears, and structural elements.

Winchester Rec Redzone Flag Football League (Grades K-8)

NEW!

Get ready to grab your flags and hit the field! Winchester Recreation Redzone Flag Football is all about fun, friends, and football in a safe and exciting environment. Players will learn the fundamentals of the game: running plays, passing, catching, teamwork; while building confidence, character, and sportsmanship along the way.

Each week, teams will warm up with practice time before games, giving coaches a chance to introduce new skills and strategies that kids can put into action right away. Teams will be made up of 8-10 players to keep games fast-paced and fun.

This league will be a sanctioned NFL Flag Football program. Every player receives a game shirt and plenty of playing time. Whether it's your first time trying the sport or you're ready to sharpen your skills, this program is the perfect way to stay active, make new friends, and enjoy the great game of flag football!

This program is run by Winchester Recreation Staff with parent volunteer coaches.

Are you looking for a fun way for your preschooler to spend their summer days? Join us at Junior Summer Adventure Camp as we play, explore, and create our own adventures! Each week offers a different theme with fun activities designed for children ages 3.0 to 5 years old. Our daily schedule includes arts and crafts, story-time, sports, water play, and playground time. Music and additional enrichment opportunities based on each week's theme round out our summer fun! Our summer staff is led by the recreation department's EEC certified director and preschool teachers, along with local high school and college student summer counselors, providing a safe, fun, and engaging experience for your preschooler. This camp complies with regulations of the Massachusetts Department of Public Health and is licensed by the Winchester Health Department.

After registering, complete the enrollment/health form and email to: sferraguto@winchester.us. A signed physical within the last 18 months and immunization record must be submitted prior to attending.

Medical/Health: If your child has an acute medical condition such as asthma or an allergy that requires an Epi-Pen, an Individual Health Care Plan form must be submitted before your child can attend (see director).

WHAT GROUP IS MY CHILD IN?

Campers will be grouped by age (3s, 4s & 5s) and must reach the minimum age for their group by June 1st. Children need to be fully potty trained to attend.

Parent Info: What will my child's day look like? What do we bring? Please be sure to read our JSA Summer Program Parent Info to ensure your child has the most positive experience!

HOWTO REGISTER FOR A SEASON MEMBERSHIP OR DAY PASS

- 1) Register online at www.winrec.com in advance for day passes or for your membership. You must have an online account or create one.
- 2) Call the Recreation Department and register using a credit card. Day passes can be purchased in advance. Office is open Monday 8:00 AM – 7:00 PM & Tuesday - Friday from 8:00 AM – 4:00 PM.
- 3) In person at the Recreation Office during office hours, by check, credit card or cash.
-Day passes and memberships can be purchased under the **PROGRAM** tab and by selecting tennis day pass or Tennis Membership.

Purchasing a day pass for someone else?

If you are purchasing a day pass for someone other than yourself or a household member:

- 1) Please call the Recreation Department and we can register them through your account and email you the pass to be used upon your arrival. This can be done at any time in advance of the date.

TEAM PLAY COURT RESERVATIONS: The Recreation Department has limited reservations available for team matches at Packer Ellis. To reserve space the team must be a Winchester-based team with resident players. Please fill out a team reservation request form at least one month in advance of your first match. Fees are \$25 per court reserved for each date you are requesting. Fees cover entry and reservation for all players for both teams. **Only Winchester-Based teams can reserve Packer-Ellis Courts.** Email this form to Michelle Blumsack mblumsack@winchester.us or drop off to the recreation department. [REQUEST FORM](#)

Reservations are not final until you receive confirmation from the Packer Ellis Tennis Director Dena Madden. Dmadden@winchester.us

PACKER-ELLIS RULES

- All players must check in at main gate with court staff prior to being assigned a court.
 - Only proper tennis shoes are allowed for play on courts. NO running shoes.
 - Running shoes and trainers not allowed based on the design of their treads that rip away at the top layer of the court causing damage to the courts. This damage results in the closing of the court for repair and limits the amount of participants the courts can accommodate.
 - Courts must be swept after play.
 - Courts are to be swept all the way back to the fences.
 - Sweeping can be done lengthways or sideways.
 - If you are first to the courts after watering, you may sweep before play in addition to sweeping after play.
 - We do not reserve courts for play*. Courts are issued on a first come-first serve basis. Courts are not assigned until all members of your party are present at the check in area, sorry no exceptions. If there is a wait for the courts, we adhere to a 75 minute time limit for singles play, and 90 minute time limit for doubles. Time is logged in the check in book to ensure accuracy when you are assigned a court. 5 min warning will be given by a Packer Ellis Staff Member when your court needs to be relinquished.
- *Courts are only reserved for specialized programs or events such as round robin play, tournaments, recreation tennis lessons and sanctioned league play. Deposits made to the Recreation Department may be required for certain reservations.**
- From time to time some courts may be closed for repair and maintenance. Staff members may on occasion open a closed court if all courts are at capacity and permission has been approved by the Tennis Director/Maintenance Director.
 - Proper tennis attire is required.

Arriving at the Courts

1. All players must arrive at courts with:
 - Tennis Membership/ID, or receipt of day pass. Please note: You will be asked to show your receipt of membership.
2. All players must check in with the gate attendant and will be signed in the player's log. The gate attendant will assign you a specific court.
