WINCHESTER TOWN DAY

Saturday, June 3rd 2023

Winchester Town Day had its beginning in the mid-1970s when a group of town residents decided that a late spring community party would be a great way to start off the summer.

The thousands of individuals and families who attend can enjoy a day of browsing exhibits, playing games, competing in athletics, eating(!), listening to different types of music, attending the health fair, and watching the grand finale, fireworks.

Now in its 42nd consecutive year, Town Day continues to grow in popularity as a great way to kick off the summer in a New England town!

If you are interested in being a part of a hard-working, fun-loving group, and would like to volunteer a few hours, please email the Town Day Committee. Now in its 42nd consecutive year, Town Day continues to grow in popularity as a great way to kick off the summer in a New England town!

Kid Connection has been serving the Winchester community for over 25 years, and we pride ourselves on the longevity of our dedicated teachers and our low teacher to child ratio. Enrichment activities throughout the year include music, yoga, gymnastics, local field trips, and more. Our convenient location provides us with large classrooms and an expansive outdoor play area including a new sport court built this past spring. We respect each parent as their child's first educator and welcome your involvement in your child's care and education as we build a cooperative relationship between teachers, children, and their families. Kid Connection is a school year program that mirrors the Winchester Public School calendar and is licensed by The Department of Early Education and Care (EEC).

(Vacation Programs, No School Days/Teacher Professional Development Days)

Each WRAP classroom is specifically designed and outfitted with age-specific equipment and materials for a developmentally friendly space for each grade. The WRAP program has use of the gym, a newly renovated sport court, 2 age specific playgrounds and opportunities for children to enroll in a wide variety of enrichment programs offered at the Rec. Department during their afters school care. Enrichment offerings are registration based and have included programs such as art, martial arts, fencing, cooking, language learning, STEM based programs, sports and fitness, and gymnastics. WRAP also provides additional enrichment opportunities throughout the week in their daily structure, activity-based clubs, homework time, opportunities for free and structured play, choice-based activities and early release day field trips, performers, and special events.
