Celebrating OVER 30 years of preschool learning!!

Learning is fun at Kid Connection, a community-based preschool operated by the Winchester Recreation Department. Our focus is on developing the “whole child” supporting social/emotional growth and pre-academic skills. We have been serving the Winchester community for over 30 years, and pride ourselves on the longevity of our dedicated teachers and our low teacher/child ratio. Our theme-based curriculum combines learning through play with teacher directed activities in a nurturing environment. Enrichment opportunities throughout the year include music, gymnastics, local field trips, and more. We have large, bright classrooms and an expansive outdoor play area and sport court. We respect parents as their child's first educator and work together to create a strong home/school connection. This school year program follows the Winchester Public School calendar and is licensed by The Department of Early Education and Care (EEC).

CHILD CARE - Kid Connection Preschool (Ages 2.9-5)

ALPHABET SOUP - Age 2.9 by Sept. 1 Days: Tuesday, Wednesday, Thursday: 9:00am-12:00pm

Alphabet Soup provides an introduction to preschool through a themed curriculum, focusing on learning through play, creativity, exploring art materials, introducing letters and numbers, and improving fine motor skills through hands on activities. Our goal is to work together to create a classroom community where each child feels secure and eager to explore, developing self-help skills, self-confidence and independence.

Tuition: \$4,565/year or \$456.50/month Max class size 18/3 teachers

LITTLE RASCALS - Age 3.6 by Sept. 1 Days: Monday – Thursday, 9:00am-12:15pm

Little Rascals extends learning opportunities for older 3's/younger 4's. Pre-academic concepts are taught with a focus on play-based learning, cooperation, and community, preparing each child for Building Blocks class or Kindergarten.

Tuition: \$5,515/year or \$551.50/ month Max class size 18/3 teachers

BUILDING BLOCKS - Age 4.3 by Sept. 1 Days: Monday – Friday, 9:00am-12:30pm

Building Blocks is a Pre-K class which combines teacher led activities and student explorations with emphasis on early math and literacy skills, responsibility and cooperation, self-help skills, and growing independence.

Tuition: \$6,665/year or \$666.50/month Max class size 18/3 teachers

BUILDING BLOCKS - Extended Day Days: Monday – Friday, 9:00am-2:00pm

The full day option extends the Building Blocks Day, providing more time for additional exploration of the daily curriculum. The full day is also beneficial for those students needing an additional year of preschool before Kindergarten.

Tuition: \$9,535 or \$953.50 per month Max class size 18/3 teachers

DISCOVERY DAYS: Monday 9:00-12:00 & Friday: 9:00am-12:00pm

If you prefer a full week schedule for your younger preschooler, you can add one or two Discovery Days to complete their week. Tuition: \$1435/year or \$143.50/month per day

STAY AND PLAY:

Choose your days/pricing below:

Our extended day program is offered Monday through Friday until 2:00pm. Your child will have lunch (provided from home), and additional time for activities. You may register for 1-5 days on days when your child normally attends. We require a minimum of 3 children enrolled to hold this program on any day, and children must be potty trained to attend.

Monthly cost for extended day options:

\$130/month for 1 Day \$230/month for 2 Days \$340/month for 3 Days \$440/month for 4 Days \$515/month for 5 Days

*Single days/drop-ins are available at a fee of \$38/day if space allows. Contact Sonja in advance.

REGISTRATION FEES AND INFORMATION:

Registration fees: a non-refundable fee of \$50 is due upon registration, and is payable via cash, check, or credit card.

Deposit: A non-refundable deposit in the amount of one month's tuition is due to secure your child's spot for the 2026/27 school year. This deposit covers the tuition for September.

New Students/Legacy Students: due January 16

Returning Students: due June 1

MONTHLY BILLING: Yearly tuition is divided into ten equal payments paid one month in advance. The monthly billing cycle will begin September 1st, to cover the following month's tuition, with the final monthly payment due May 1st.

Financial applications are available upon request.

Enrollment forms will be distributed in May, including a payment authorization form to be used for automatic payments.

CHILD CARE - Winchester Recreation After School Care (Grades K-6)

PRIORITY REGISTRATION: Jan 6-Jan 23 (offered only for families currently enrolled in WRAP childcare)

NEW STUDENT LOTTERY REGISTRATION: Register online before January 30, 2025 at 10AM

The Winchester Recreation Department offers an EEC licensed after school childcare program for children entering K – 6 at our WRAP program, centrally located in the Recreation Department Mystic Building at 263 Main Street.

The WRAP program is licensed by the Department of Early Education and Care and follows the Winchester Public School Calendar. Care is provided on all early release days, as those costs are built into the monthly fees. When schools are closed for vacations, holidays, professional development days or snow days, the programs are generally closed, however there are times where we may offer additional registration options, subject to additional fees (ie: Vacation Programs, No School Days/Teacher Professional Development Days).

Each WRAP classroom is specifically designed and outfitted with age-specific equipment and materials for a developmentally friendly space for each grade. The WRAP program has use of the gym, a newly renovated sport court, 2 age specific playgrounds and opportunities for children to enroll in a wide variety of enrichment programs offered at the Rec. Department during their afterschool care. Enrichment offerings are registration based and have included programs such as art, martial arts, cooking, language learning, STEM based programs, sports and fitness, and gymnastics. WRAP also provides additional enrichment opportunities throughout the week in their daily structure, activity-based clubs, homework time, opportunities for free and structured play, choice-based activities, early release day field trips, performers, and special events.

REGISTRATION INFORMATION:

Current families - register online from 1/6/25-1/23/25 and pay a non-refundable \$50 registration fee (details via email).

New students - register for the lottery (no charge) from 1/16/25-1/30/25 @ 10am. See more details at winrec.com or by [clicking here](#).

An enrollment packet will be sent to all registrants in May and must be completed to finalize enrollment. Tuition is divided into 10 equal payments. A nonrefundable first month tuition payment will be charged on June 1. The remaining tuition payments will be charged on the first of each month starting in September and will cover the following month's tuition. Monthly payments end on May 1, which covers June enrollment.

REGISTRATION OPTIONS: 5 day, 4 day, 3 day, 2 day options available

PRICING/FEE STRUCTURE

5 days/wk \$575/month

4 days/wk \$515/month

3 days/wk \$415/month

2 days/wk \$290/month

Register early to ensure your child's spot. Transportation to WRAP is available through Winchester Public Schools. Please see the school transportation information on the Winchester School website for information.

WITHDRAWAL POLICY: When registering, you are committing for the entire school year. Families looking to withdraw/change schedule are required to give ONE MONTH (30 days) advanced notice if you plan on dropping your child out of the after school program. **No withdrawals or changes in schedule after April 1, 2027.**

3D PRINTING - Coding and Design with BlocksCAD (Grades 2-5)

See how the seemingly impossible is achieved with BlocksCAD, a web-based tool that introduces kids to 3D modeling through blocks-based coding! In this class, students will learn the foundations of coding to create digital files and transform one of them into a real object that can be held in their hands! Participants will explore key principles of computer-aided design (CAD) by manipulating simple geometric shapes in a 3D environment to make lots of amazing projects, like a robot, fidget toy, and keychain. While having fun creating all sorts of unique designs, participants will also learn programming techniques such as loops and sequencing. Coding doesn't have to be complicated, join the fun and get creative with BlocksCAD!

Equipment needed: Students must bring their own Internet-accessible computing device (laptop, MacBook,

KIDS' TEST KITCHEN (Grades K-5)

On a mission to get eaters of all ages and abilities, cooking, tasting, and thinking about healthy ingredients! Kid food redesigned! Each class presents students with opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, chefs slice, dice, peel, measure, and cook until they've prepared the finished dish. Class closes with opportunity to taste the result of their hard work. Students receive a printed recipe card and the focal ingredient; or a sample of the finished dish so they can show off what they learned! Even the most reluctant eaters enjoy Kids' Test Kitchen, where participation is encouraged, and the choice to taste is always one's own. Lessons are planned to celebrate seasonal produce, whole grains, and legumes. Kids have food allergies, but they shouldn't miss out on the fun. KTK understands allergies and will work around them, making sure that everyone is having fun and staying safe. (6 weeks)

MIDDLE/HIGH SCHOOL PROGRAMS

HIKE THE FELS w/ Guineafowl Adventures (Grades 6-8)

Winter hiking is a great way to get outdoors and enjoy the views offered by a leafless landscape, the crispness of the air, the way the forest sounds, and warming up on a cold day. Engage your curiosity, seek out adventure, build camaraderie, and increase your stamina on hikes of varying distances and challenges. Gain winter hiking confidence as you learn how to use micro-spikes on ice, snowshoes on fresh powder, and headlamps when our hikes continue past sunset. Children will be transported utilizing a passenger van to/from the Middlesex Fells Reservation for hikes led by an experienced Guineafowl guide and Winchester Recreation staff. (6 weeks)

What's Included:

- Transportation to and from the Fells is included via the Guineafowl transport van.
- Guineafowl along with Recreation Staff will pick up and drop off hikers from McCall Middle School
- Hikers will be provided with proper hiking equipment for their adventure
- Boots not included

Go to <https://guineafowladventure.com/> for more information about Guineafowl Adventure. (6 weeks)

CINEMA KITCHEN (Grades 6-8)

NEW!

Come play with your food, and join us for a fun-filled culinary adventure at the CinemaKidz cooking show! Here, kids will have the opportunity to shape the entire experience from designing the show's look and feel to getting crafty in the kitchen. Participants will form cooking teams and step into the test kitchen, where they'll dive into exciting recipe experiments featured in each episode. From delightful vegetarian sushi and dumplings to creating homemade pastas, exploring molecular gastronomy, and crafting edible art, there's something for every chef! Throughout this hands-on and engaging class, participants will cook, act, direct, film, and edit multiple episodes, culminating in a series of creations and an original kid-made show to be proud of! (8 weeks)

BEAT BUILDERS LAB (Grades 6-8)

NEW!

The Beat Builders Lab is a fun, hands-on course where young musicians and tech enthusiasts learn to become digital music producers by composing, recording, and mixing their own original hits using professional digital tools (DAWs). Students learn to become a Beat Master by creating catchy rhythms, programming electronic drums, and building solid basslines, and then explore musical structure to compose full original songs in various genres. The course provides Tech Superpowers, giving students hands-on experience recording voices and layering instruments, and teaching them to mix like a Pro. No prior instrument experience is necessary—just an imagination ready to rock, ensuring that every child leaves the course with a portfolio of their own finished, ready-to-share songs. (8 weeks)

Dates: Wednesdays, January 14 - March 11 (Off 2/18)

Time: 3:30PM - 4:30PM

Fee: \$300.00

Location: McCall Middle School

Instructor: CinemaKidz

MIDDLE/HIGH SCHOOL PROGRAMS

DESSERT LAB (Grades 6-12)

Do you love the sweet smells of freshly baked cookies and warm bread? Are you ready to create delectable desserts that will impress your family and friends? Get ready to mix, measure, and master the art of baking! Join Mr. Casey, Winchester High School's Culinary Arts teacher for a fun, hands-on course where students will learn the fundamentals of baking, from cookies and cakes to breads. Each weekly project, students will explore essential kitchen skills such as reading recipes, proper measuring techniques, and food safety. Along the way, they'll learn about ingredients, kitchen tools, and the science behind what makes baked goods rise, brown, and taste amazing. Whether a beginner or they already love to bake, this class will help build confidence in the kitchen, encourage creativity, and (of course) end with something delicious to share! No previous experience required, just bring curiosity and a sweet tooth! (8 weeks)

Dates: Thursdays, January 15 - March 12 (Off 2/19)

Time: 3:30PM - 5:30PM

Fee: \$375.00

Location: Winchester High School

Instructor: Gordon Casey

VIDEO GAME DESIGN with SCRATCH (Grades 6-8)

Ever wondered how the designers of your favorite video games work their magic? Put down controllers and dive into Scratch, a beginner-friendly coding platform developed by MIT that allows kids to make stories, games, and animations! Discover how to set the scene with fantastic backdrops, sound effects, and dialogue! Learn how to make your 2D character move by creating a polished walk cycle! Gamers will learn the basics of character development and create a video game sample to share with friends and family. Come "crack the code" of video games, and unleash creativity! (8 weeks)

Equipment needed: Students will need to bring a computing device (laptop, MacBook, or Chromebook) to each class session. Portable hand-held devices such as iPads are strongly discouraged, as Scratch's website may not calibrate properly. The device should have an Internet browser that is compatible with Scratch (Google Chrome, Safari, Mozilla Firefox, or Microsoft Edge). The instructor will have 2-3 spare devices available, as a precautionary measure.

Dates: Thursdays, January 29 - March 26 (Off 2/19)

CHILDREN'S RESTAURANT READY WORKSHOP (Grades 2 - 7)

This workshop will help children learn good table manners for dining out. Participants will discover that table manners encompass more than just using silverware; they also reflect self-awareness, respect, and courtesy. These skills are essential for social interactions and will benefit children throughout their lives. After the workshop, students will confidently demonstrate proper restaurant etiquette.

Time: 4:30PM - 5:45PM
Fee: \$80.00

PRE-TEEN TEXTING, EMAIL AND SOCIAL MEDIA ETIQUETTE (Grades 5 - 8)

Netiquette, short for internet etiquette, encompasses a set of guidelines for respectful online communication. This workshop delves into these rules across various platforms, emphasizing that communicating on the internet is akin to face-to-face interaction, not merely interacting with devices. Pre-teens and teens are equipped with the knowledge to navigate online interactions mindfully, respecting privacy, opinions, and avoiding potential consequences.

Time: 5:45PM - 7:00PM

TEEN COLLEGE AND JOB INTER- VIEW WORKSHOP (Grades 8-12)

Preparing high school students for interviews can be challenging, especially for those who lack experience. It's essential for teens seeking internships or college opportunities to develop strong interviewing skills. Parents may recall their own uncertainties during interviews. Teens can learn self-presentation techniques and key talking points to enhance their chances of success in landing a job or college interview.

Time: 7:00PM - 8:30PM
Fee: \$90.00

TUES **March 31**

CHILDREN'S DINING ETIQUETTE (Grades 2 -7)

This Children's Dining Etiquette program isn't just about polished behavior; it's about empowering children with the tools they need to stand out and make a lasting impression. This workshop will boost their self-assurance and help them exude poise when dining at home, in a restaurant or at a social event. Good table manners are more than just niceties - they are invaluable tools for social interaction that will benefit children both personally and socially throughout their lives.

Time: 6:00PM - 7:15PM
Fee: \$80.00
